Request). The Parties do not request a stay of discovery as certain discovery motions may need to be

28 | filed before mediation takes place on May 28, 2015. However, in the interest of judicial economy, the

1 Parties request an extension of time, in good faith, of certain discovery deadlines as outlined below. IT IS HEREBY STIPULATED AND AGREED, by and between the Parties, through their 2 undersigned counsel of record, that the discovery deadlines herein referenced be extended as set forth 3 below. In support of this Stipulation, the Parties set forth the following status of discovery in 4 5 accordance with LR 6-1 and LR 26-4. I. 6 **DISCOVERY COMPLETED TO DATE:** 7 A. Plaintiffs and Defendant Fresh Start (all other Defendants have settled) conducted the FRCP 26(a) conference; 8 В. 9 Plaintiffs and Defendant have propounded written discovery; C. Plaintiffs and Defendant have responded to written discovery; 10 D. Plaintiffs and Defendant have disclosed initial witnesses and documents pursuant to 11 FRCP 26; 12 13 E. Plaintiffs and Defendant have served supplemental disclosures; F. 14 Defendants have taken the depositions of Plaintiffs Michael and Cathy Tarr; G. Defendant has propounded subpoenas on pertinent third-party medical providers, 15 16 educational institutions and employers, and received responses thereto; 17 II. **DISCOVERY REMAINING** A. Deposition of Plaintiffs' father/ex-husband, Ralph Tarr; 18 B. Depositions of Defendant's Person(s) Most Knowledgeable; 19 C. 20 Depositions of Defendant's employees; D. 21 Depositions of Plaintiff Michael Tarr's treating physicians; E. Designation of rebuttal expert witnesses, if any; 22 F. Depositions of all expert witnesses; 23 G. 24 Any additional written discovery the Parties may wish to propound; and H. Any remaining discovery that the Parties desire. 25 26 III. REASON WHY DISCOVERY SHOULD BE EXTENDED 27 The Parties stipulate to extending certain discovery deadlines to facilitate the potential resolution of this matter via a mass mediation to include all Narconon Fresh Start cases currently filed 28

in Nevada, Colorado, and California. The mass mediation is currently scheduled for May 28, 2015. The Parties request this extension in good faith and in an effort to promote judicial economy. The Parties request an extension of the discovery deadlines as outline below in order to preserve the Parties' resources. Should the Court grant the Parties' Stipulation, the Parties will be at liberty to select the discovery they wish to conduct pre-mediation, thus preserving significant amounts of time and money, instead of working the case up to a point where discovery is nearly complete just before mediation begins.
